

COME ON IN....WE'RE OPEN AGAIN!

**ST. Thomas re-opened for public worship on Sunday, July 11, 2021!**

**Summer Services for St. Stephen's, Vankoughnet soon to be posted**

We welcome you to services at 9 am and 11 am each Sunday. There is currently a Covid restriction maximum of 30 people per service, so it is necessary to call ahead to ensure that seating will be available for you. Numbers will increase as restrictions lessen in coming weeks. Speak to Cathy or Tracy at (705) 645-3486 Tues-Fri, 9am – 1pm and they will look after you. Requests for weddings and baptisms must be discussed with Rev. Judie+ in time to ensure preparation classes, and will also be limited as to capacity and available dates.

At this time, all attending must be masked, unless medically prohibited. In such a case, we will provide a seating area which is more socially distanced than our regular seating. People who attend may, or may not be, vaccinated against the corona virus. Please consider these factors when deciding about attendance.

On-line print worship services are available for those who may not wish to gather for public worship at this time. We will need your email address to send them to you.

Questions? We'd love to hear them, and work with you to make your worship experience a joyful part of your journey!
